

TATA INSTITUTE OF FUNDAMENTAL RESEARCH

(A Deemed University)

II INDO-BRAZILIAN Symposium in Mathematics 14 -18 DECEMBER, 2009

Will be held at

**TIFR Centre for
Applicable Mathematics,
Bangalore.**

The aim is to foment joint research activities in
Mathematical Sciences between Indian and
Brazilian Mathematicians

The following Indian and Brazilian Mathematicians are expected to speak at the Conference

Amit Apte

(Dynamical Systems, TIFR, Bangalore)

R. Balasubramanian

(Number Theory, IMSc, Chennai)

R. Bhatia

(Analysis, ISI, Delhi)

V. S. Borker

(Stochastic Process, TIFR Mumbai)

P. S. Chakraborty

(Non-Commutative Geometry, IMSc, Chennai)

P. Choudhury

(Statistics, ISI, Kolkata)

S. Ghorpade

(Algebra, IIT, Mumbai)

D. Goswami

(Non-Commutative Geometry, ISI, Kolkata)

R. V. Gurjar

(Algebraic Geometry, TIFR, Mumbai)

Indranil Biswas

(Geometry, TIFR, Mumbai)

Jaya Iyer

(Algebraic Geometry, IMSc, Chennai)

K. Manjunath

(Probability, IISc, Bangalore)

S. Prasanth

(Nonlinear PDE, TIFR, Bangalore)

Riddhi Shah

(Ergodic Theory, JNU, Delhi)

K. Sandeep

(Nonlinear PDE, TIFR, Bangalore)

S. Thangavelu

(Harmonic Analysis, IISc, Bangalore)

T. N. Venkataramana

(Representation Theory, TIFR, Mumbai)

Abramo Hefez

(Algebraic Geometry, Uni. Fluminense)

Arnaldo Leite Pinto Garcia

(Algebraic Geometry, IMPA)

Aron Simis

(Commutative Algebra, Uni. Pernambuco)

Carlos Tomei

(Analysis, Uni. Catolica)

**Eduardo de Sequeira
Esteves**

(Algebraic Geometry, IMPA)

Hermano Frid Neto

(PDE - Analysis, IMPA)

Israel Vainsencher

(Algebraic Geometry, IDEX-UFMG)

Jacob Palis

(Dynamical Systems, IMPA)

Joao Marcos do O

(Nonlinear PDE, Uni. Paraiba)

Jorge Guillermo Hounie

(Linear PDE, Uni. Carlos)

Marcio G. Soares

(Complex Foliations, Uni. Gerais)

Vyacheslav Futorny

(Algebra, Uni Paulo)

Wellington Celso de Melo

(Dynamical Systems, IMPA)

Applications are invited from interested students and researchers for participation. The application should be supported by Curriculum Vitae along with a letter of recommendation in case of students. We will be selective depending on the infrastructure available. The organizers will support travel by train and cover local expenses for those selected. Applications should reach by **07.11.2009** to the :

Organizing Committee Indo-Brazil TIFR Centre for Applicable Mathematics

Post Bag No. 6503, Sharadanagara, Chikkabommasandra, GKVK Post, Bangalore - 560 065.

Ph. : 080 - 66953790 - 95, Fax : 080 - 66953799. email : Indobrazil@math.tifrbng.res.in

Organizing Committee:

S. G. Dani (TIFR, Mumbai),

K. B. Sinha (JNCASR, Bangalore),

J. Palis (IMPA, Brazil)

P. N. Srikanth (TIFR-CAM, Bangalore)

Supported by:

Department of Science & Technology
(Government of India)
